Real Estate

In the menu System > Master Data Import > Real Estate you are able to easily import objects in the ICRS from external resources.

Here you see the column-titles you will need for the import.

1. A small description in the text-field House-Excel-Upload for the matter of your recognition.
2. Fill in the path to the import-file.
3. If necessary take the decision if a new house from the Excel-table will be created. Existing companies will be overwritten.
4. Click on save and importing can be started.
