Lock Data

In the menu *System > Access Control > Lock Data* you are able to freeze the system till a certain time period. Lines of lease data before the selected period can not be imported into the ICRS.

For example, after the annual account is finished no lease data shall be imported into the system.

Freeze status

Year	<input type="text" value="2000"/>	▼
Month	<input type="text" value="Jan"/>	▼

Caution
Freeze status means: You cannot upload rent rolls with an earlier date!
