Lease History .....	3
---------------------	---

## Lease History

In the menu *Analytics > Ad Hoc Reports > Lease History* you can query detailed information of selected Lease data on different criterias and limitations.

Form to start a lease history query

For example: January 2010

With the button: *Query* you start the creation of the report, when finished you see a message on the top right of your screen.

With the button: *Back* you set the query-fields back tu default.

The top of the lease history table of the above example.

**Yet you have another question leave it on this site for the metamagix-support-team.**
