SPVs 3

SPVs

In the menu *System > Master Data Import > SPVs* you get a table of existing lists.

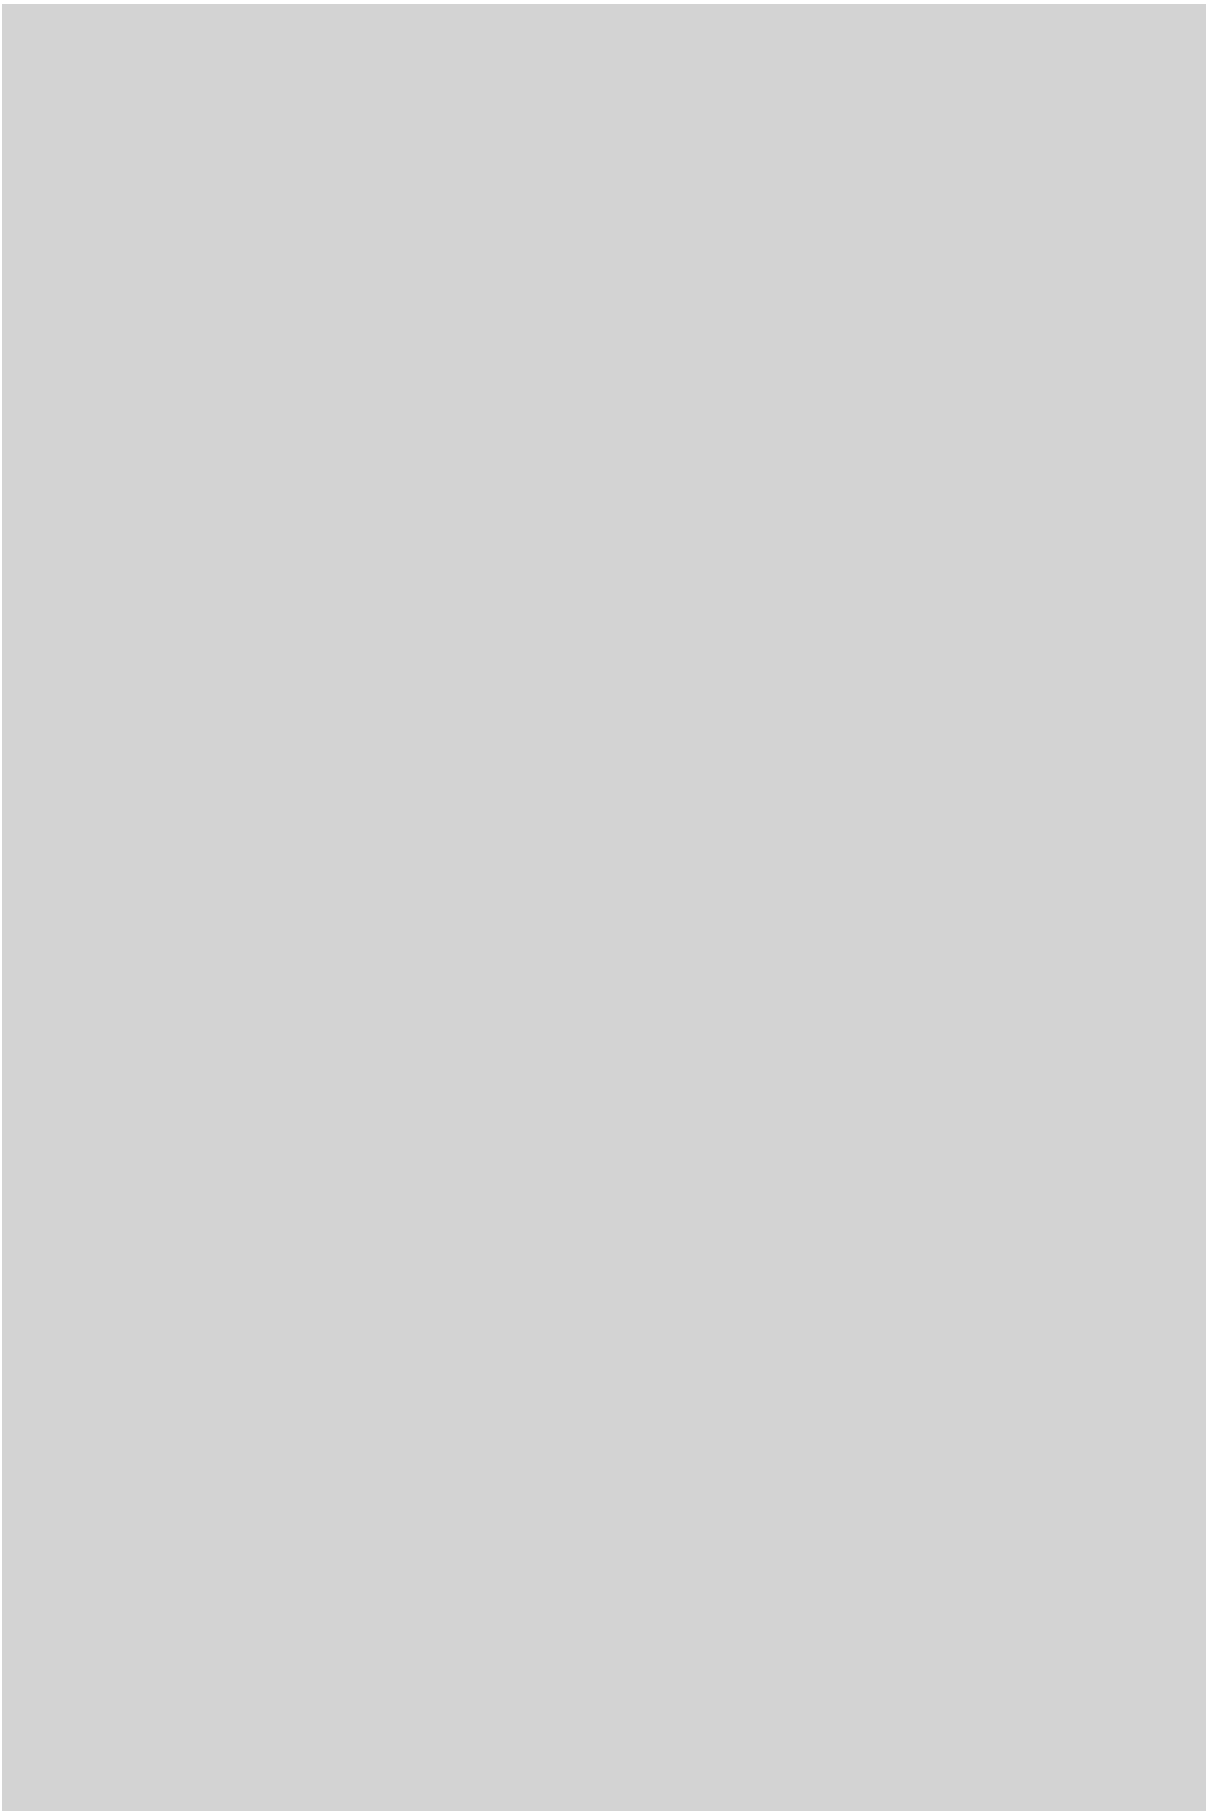

Empty table of SPVs imports

Filled table with SPVs.

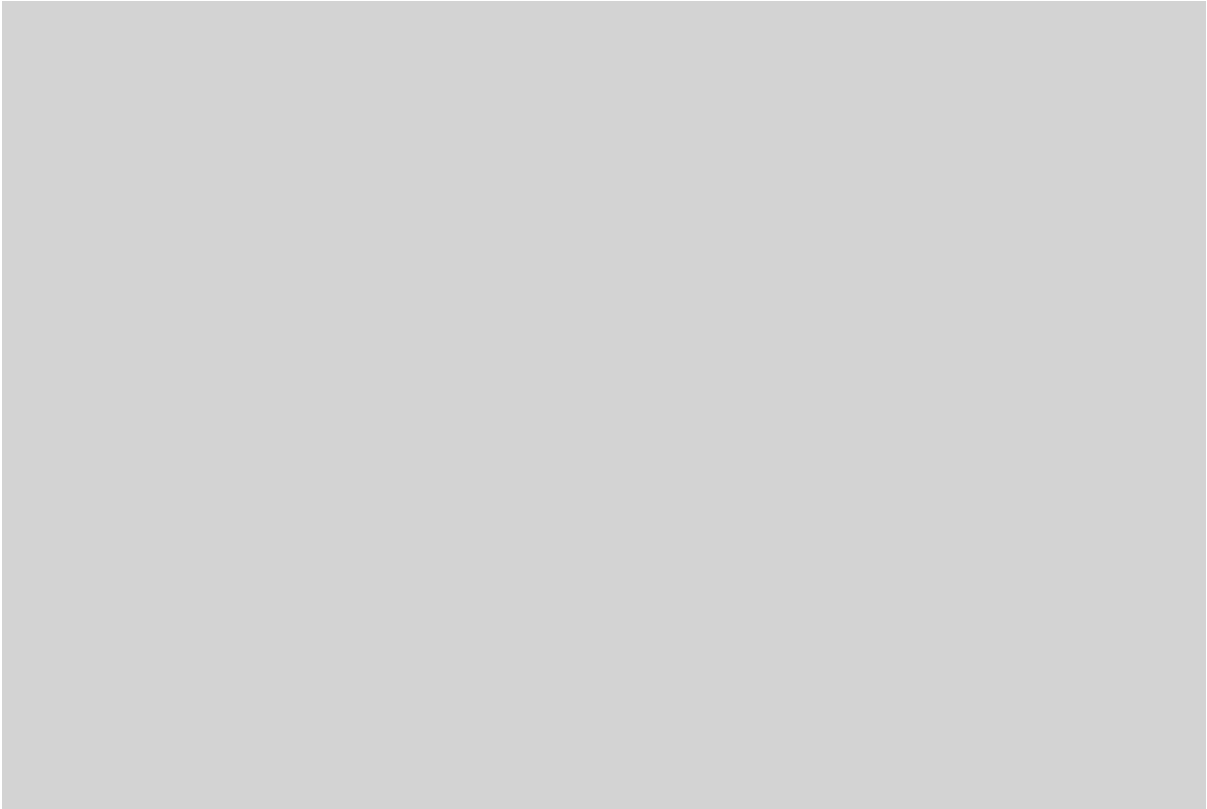

Click on the button: *Create company(SPVs)* to open the form:

Form to create an entry for SPVs.

The second register of the Form: Analytic setup.

The third register: Webalerts.

Form to configure import of SPVs

Yet you have another question leave it on this site for the metamagix-support-team.
